Submission type	Summary IAS
Title of related legislative or regulatory instrument	Proclamation – <i>Resources Safety and Health Legislation Amendment Act 2024</i> (commencement)
Date of issue	August 2024

Proposal type	Details
Minor and machinery in nature	The <i>Resources Safety and Health Legislation Amendment Act 2024</i> (the Act) received Royal Assent on 18 June 2024. Section 2 provides for commencement of the provisions of the Act. Under section 2(1), the following provisions commence on the day that is five years after the commencement under subsection (3) of section 25 - (a) section 26(2), (3) and (4); (b) section 27(1); (c) section 100, to the extent it inserts new section 332. Under section 2(2), section 29(3) of the Act commences on a day that is five years after the commencement under subsection (3) of section 29(2). Under section 2(3), the remaining provisions of the Act commence on a day to be fixed by proclamation. The proposed Proclamation fixes 1 June 2025 to commence certain provisions and 1 September 2024 to commence the remaining provisions of the Act. The provisions proposed to commence on 1 June 2025 relate to critical control management and new certificates of competency for key critical safety roles on mines. This will ensure that industry, the Board of Examiners and RSHQ will be ready for implementation of these reforms. The proposed Proclamation also fixes 1 September 2024 for commencement of all the remaining provisions of the Act.
