

Overview

This Work Instruction provides guidance on how to apply for a licence to manufacture explosives in the RSHQ Portal.

Note: **Bold** words in the text refer to field, link, and button names within the Portal.

Prerequisites

The business must have an existing RSHQ Portal account. Refer to the *Requesting a business account setup* work instruction for guidance.

- the Chief Inspector decides not to issue the authority-refer to Explosives Act 1999, section 17(4)(b)
- a licence is surrendered during the term of the licence, where the amount that may be refunded is the licence fee for each whole year of the unexpired term of the licence-refer Explosives Regulation 2017, section 23(2).
