Petroleum and Gas Inspectorate approved form PGSR102(2), E- Version 1. *Sept 21*

Important information for gas system owners and operators

This certificate is an important document and should be kept safe for future reference.

Gas system owners have obligations under Queensland legislation to ensure –

- Gas appliances are used in a safe manner – Act s734AA
- Ensure suitable qualified person carries out gas work – Safety Regulations 97
- Not use a gas system if the owner is advised by a qualified person or inspector that the gas system is unsafe
- Ensure any safety concern raised by a gas system user is addressed – Safety Regulation s98
