Applicant Suitability	
In deciding whether you are a suitable person to hold a gas device approval authority, the chief inspector may consider the following –	
(a) have you been convicted of an indictable offence ¹ ?	<input type="checkbox"/> Yes <input type="checkbox"/> No
(b) have you been convicted of an offence against this Act?	<input type="checkbox"/> Yes <input type="checkbox"/> No
(c) have you been subject to non-compliance action as a GDAA holder	<input type="checkbox"/> Yes <input type="checkbox"/> No
(d) have you had an equivalent authority cancelled or refused by another State/Territory/New Zealand	<input type="checkbox"/> Yes <input type="checkbox"/> No
(e) do you have any disability or medical condition that prevents you from complying with the technical requirements of the 'Queensland Code of Practice for Gas device approval authority holders'? ²	<input type="checkbox"/> Yes <input type="checkbox"/> No
If you answered 'yes' to any of the above questions, please provide details separately.	

¹ Note: Indictable Offences - An indictable offence is an offence where the defendant has the right to trial by jury. There are two categories of indictable offences: Major Indictable Offences and Minor Indictable Offences. Major indictable offences include offences such as murder, rape, and threatening or endangering life. Minor indictable offences are heard in the Magistrates Court, where there is no jury, unless the defendant chooses to go to a higher court.

² Note: When considering disability and medical conditions the chief inspector may consider applications that demonstrate non-traditional methods of complying with the technical requirements of the Code of Practice. For example, video link for witnessing safety testing.

Endorsement of Applicant

Declaration

I, the undersigned, declare that:

- I am a suitable person to hold a gas device approval authority.
- I hold the qualifications and experience required for the gas device approval authority applied for.
- The answers, information and attachments in this application are true and correct in every detail.
- If I have stated anything that is materially false or misleading, the application or any gas device approval authority given to me will be absolutely void and have no legal effect whatsoever.
- I consent to the issuing authority taking, keeping, and using my personal information, documents and digital photo for the purposes associated with my application.
- I consent to the issuing authority verifying the answers, information and attachments in this application with other departments, agencies or organisations.

GENERAL PRIVACY STATEMENT

The *Information Privacy Act 2009* ensures that the collection, use, disclosure and storage of personal information by government agencies are lawful and appropriate. This standard also obliges agencies to tell their clients why personal information is being collected and when it is being disclosed to third parties. Resources Safety and Health Queensland collects information on this form under the *Petroleum and Gas (Production and Safety) Act 2004* (the Act) and Regulation to meet its obligations under that Act, and to facilitate and regulate the carrying out of responsible gas licensing in Queensland. Information collected on this form, whether or not it is contained in the Gas Licensing Database, may be disclosed to other Queensland Government Agencies, where such disclosure is necessary for the effective management of gas licensing in Queensland. Where information provided is commercial in confidence, it will be treated as confidential and will not be disclosed outside the agency unless RSHQ is legally required to do so. Further information on the privacy policy is available at www.rshq.qld.gov.au.
